0001	This funding is requested to help support the migration from the Hoover Data Center to a new third party data center facility. In 2019, the Hoover Data Center experienced catastrophic flooding that destroyed major electrical subsystems, and to avoid future weather-related outages, the OCIO is working to migrate data center services to a hardened, third-party facility. The requested TRF fund represent a portion of the second year of costs for the new data center service including hardware, software, and third party co-location services.	Appropriation	1,750,000	0
